INTRODUCTION

Inferiority complex is one of the invisible weapons the enemy uses against people. This evil disease has buried many people's talents, gifts, visions, and purpose. Before a doctor prescribes a medicine for a patient, the doctor has to investigate the root cause of the sickness to enable him to provide the recommended drugs. Failure to reach out for the root cause can hinder the patient's treatment.

In my book, you will find out the root causes of inferiority and how to break every type of inferiority. You cannot advance to the next level in life if you have not dealt with mediocrity. The keys written in this book work because it is tested. It has worked for me, and I believe it will work for you if you apply them.

DEDICATION

I dedicate this book to my ignorant enemies. Thank you for looking down upon me because I would never have reached this level without your effort.

CHAPTER ONE

UNDERSTANDING INFERIORITY COMPLEX

Inferiority is an evil disease affecting most African countries. This harmful disease has buried great treasures in man. A man can never create something in life unless he breaks the spirit and the mindset of inferiority. Most people have buried their gifts and talents because of inferiority. Potentials are limited in people's lives because the spirit of inferiority has blinded the vision God has invested in them.

Inferiority means the inability to believe in yourself. Anytime you feel inferior, you become insecure and unproductive. The surrounding people become an enemy because you think you cannot measure up to their status. The spirit of inferiority has damaged the mind of great men and women who could have made history in life.

Let's not talk about the cemetery because many treasures are hidden in this place. These people could have changed the world with their ideas, talents, and gifts. However, they allowed the spirit of inferiority to limit them.

In Africa, most people see themselves as enslaved people because of the colonization they went through. It is recorded in the history books of Ghana that the British were our colonial masters. They underrated our chiefs and leaders and enslaved them to develop their country. This resulted from a high illiteracy

rate.

By the grace of God, most African countries are developing. Universities, churches, and factories are built to help facilitate the economy. Parents are sending their children to school. The illiteracy rate is reduced because self-education empowers the mind to break the mindset of inferiority.

Some Africans see themselves as slaves to some European countries.

Colonization has created an inferiority complex in the mindset of most African countries and leaders. This is one reason African countries cannot develop.

We need to break the spirit of inferiority. I believe God directed you to my book to enable you to break the mindset of inferiority. I do not limit inferiority to only Africans. Other people living outside Africa are also suffering from inferiority. One of the root causes of inferiority is fear.

Fear creates an atmosphere of hopelessness and despair. When the spirit of fear is in operation, inferiority dominates the environment. Inferiority creates a sense of low self-esteem in the emotions of men and women. This is one reason we have to break the spirit of inferiority.

Most often, people compare themselves to other people. They measure their success, gift, achievement, and wealth with others. If you always compare yourself with others, you will always feel inferior. I have been using this secret key to encourage myself in the Lord. I constantly analyze the length of my fingers because they are in different sizes and lengths. This makes me

understand that life is at different levels.

There will always be someone higher than you, no matter your size. You may also be higher than someone in life, and it continues that way. When you try to measure yourself with someone, inferiority builds in your mind.

When Moses sent spies to the land of Canaan, most of the spies gave a negative report that the people were giant and looking at themselves; they looked like insects before them. Their statement kindred the anger of God because they allowed the spirit of inferiority to control them. God cannot effectively work with someone who walks with the mindset of inferiority.

As Christians, we are supposed to use our faith in the Word to break the spirit of inferiority. Joshua and Caleb were among the spies who went to the land of Canaan. Joshua and Caleb operated with a different mindsets. They spoke within themselves that God could do anything. They remembered the miracles God did in their lives. They gave Moses a good report. They did not allow the spirit of inferiority to overtake them.

One thing about inferiority is that it makes you useless in the eyes of men. Inferiority can damage your self-esteem. It can make your enemy dominate you. Anytime you operate in the mindset of inferiority, you open the door for your enemies to fight you without mercy.

- Inferiority can limit the purpose of those around you.

- Inferiority creates a dark atmosphere in the spiritual realm.
- Inferiority allows evil spirits to torment you.
- Inferiority creates room for an evil spirit to depress you.
- Inferiority limits God's help in your Christian life.
- Inferiority makes you lose focus in life.
- Inferiority creates hopelessness within the jurisdiction.
- Inferiority damages the spirit of faith within your heart.
- Don't allow the spirit of inferiority to operate in your life because it destroys your soul.

I would never have entered the ministry of God if I had allowed inferiority to operate in my life. I have often felt inferior in my past life. God has given me the grace to overcome inferiority. This has allowed me to break barriers in my life.

When I was at university, I preached to graduates and undergraduates. I never looked down upon myself because I believed God was living in me (*See 1 John 4:4*). I never felt inferior to myself. I made altar calls even when I preached to the graduates and the undergraduates. Some of them gave their lives to Jesus Christ through my preaching. I did these things when I was at the university. I am still preaching the good news to other tertiary institutions.

I used to follow up and pray for the souls who gave their lives to Jesus Christ.

Sometimes, people will ignore me whiles I visit them, but it does not challenge me. I loved what I was doing, and it encouraged me to stand firm in the Lord. Sometimes your neighbors can make you feel inferior in their actions and words. You need to be strong in the Lord. I will give you some keys in chapter four on how to break the spirit of inferiority. Allow nobody to make you feel inferior because inferiority is an invisible killer of visions, dreams, and purpose. Meditate on these scriptures for more revelation.

For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

2 Timothy 1:7

(The Book of Numbers chapter thirteen and fourteen in the Holy Bible)

CHAPTER TWO

TYPES OF INFERIORITY

Inferiority is in different dimensions, and it operates at different levels and seasons. In this chapter, I will enumerate four types of inferiority complex.

- Physical Inferiority
- Emotional Inferiority
- Psychological Inferiority
- Social Inferiority

- **Physical Inferiority**

Physical inferiority deals with our environment. This inferiority exposes itself when men compare their acquired properties. The houses, the cars, the mansions, the airplanes, the ships, the road, and the train system create inferiority when people make a comparison.

We can also categorize this inferiority as financial inferiority because it connects with your level of wealth. This inferiority creates unnecessary competition among countries, industries, citizens, and leaders. I am not against growth and development. Sometimes we must feel challenged to maximize productivity.

However, the issue is, that it must not emanate from the root of inferiority because it breeds jealousy and insecurity.

When a country is advanced in technology, business, security, and provisions, we should analyze how we can learn from them than create unnecessary competition. If Ghana cannot process their cocoa and other natural resources into finished goods, they should send professionals to these developed countries and learn from them how they process the resources than to make ourselves inferior to them.

When we make ourselves inferior to them, they will always exploit our natural resources and use them to develop their country.

We must not allow physical inferiority in the leadership of our nation. By the grace of God, Apostle Kwadwo Sarfo and his company manufacture cars, excavators, jets, air conditioners, televisions, and many resourceful materials in the economy of Ghana. Why can't we invest in his production and help the company produce more than always depend on imported products? We must not allow inferiority to limit us from development. I wrote this book to the entire world, the church, and especially African countries.

I believe different nations are facing physical inferiority because they don't believe in themselves. They always look down upon themselves. They limit those with ideas, visions, talents, gifts, and courage. This evil disease controls most Christian leaders in our churches. They don't train gifted Christians to

exercise their gifts in their churches all because these leaders feel inferior.

This is one reason we see churches breaking up and different churches setting up. If we want development in our economy, churches, and organizations, we must break the mindset of inferiority and allow those with ideas, gifts, and talents to lead. We need smart people in our economy. People who fear God are selfless people and have strong leadership skills and abilities. People who are bold, courageous, and ready to learn to stand in the gap. If we destroy these people, then inferiority will dominate the system.

- **Emotional Inferiority**

Emotional inferiority works in the innermost part of man. It makes one unstable in his ideas and decisions. We knew former President Jerry John Rawlings to be a strong leader. Because of his boldness and courageous spirit, people could not play with the economy's finances. I believe he was a strong leader in his time of leadership.

We need leaders with strong spirits because emotional inferiority creates an invisible barrier within the system. When someone is emotionally inferior, he becomes a liability to the organization. We need someone who has a strong heart to drive people to work with no fear. Sometimes leaders have to be autocratic because democracy often delays development. It is only those who are inferior emotionally who refuse to confront the corrupt.

The Israelites would have been held captives by the Philistines if David had not appeared in the scene. Emotional inferiority makes you incomplete in the sight of your enemies. Before the battle starts, you would have already lost because you are already defeated within yourself. It is only those who are strong who can fight giants. David did not allow the strength and the height of Goliath to belittle him. King Saul could not resist the champion of the Philistines because emotional inferiority limited him.

Emotional inferiority makes a leader look like an imbecile in the enemy's sight. We need strong leaders, especially people with a choleric temperament, to stand in the gap for nations and organizations. Firm leadership does not mean that leaders should be tyrants. Paul the Apostle was full of power because the Holy Spirit made him strong. Apostle Paul did great works in the kingdom of God because he did not allow the spirit of inferiority to stop him. When you are inferior emotionally, it makes those around you weak and visionless. Being strong does not mean you don't fear, but it is the ability to overcome the fear despite the circumstance.

Strong people sometimes fear, but they don't allow their fear to conquer their courage. Every country needs strong and fearless leaders who can drive the ministers and assemblies to work. Church leaders must not allow the devil to use others to make them feel inferior.

Most often, when I preach the Word to people, I don't allow their faces to

control my teachings; I let the Holy Spirit lead me in the teachings. Some people can make you feel inferior in your teachings. Don't allow them to make you feel inferior. If you allow them to make you feel inferior, they will overthrow you in the ministry.

I have heard founders of churches being driven out of their own established churches. The elders and some church members conspired to eliminate the founder of the church. I believe the founder would never have been overthrown if he had been strong emotionally.

Anytime you allow emotional inferiority to dominate your soul, you allow the spirit of depression to control the environment. When the spirit of depression sinks into the environment, the spirit of poverty, jealousy, backbiting, and gossip will control the place (*See James 3:16*).

- **Psychological Inferiority**

Psychological inferiority often reigns in the thoughts of women. It affects women because they are emotional beings. This inferiority is like emotional inferiority, but there is a difference. Psychological inferiority rules the subconscious sector of the person's mind, while emotional inferiority rules in the conscious segment of the person's mind.

Psychological inferiority controls the person's activity without the person knowing it. It is because of how the person was trained. They (*it can be parents,*

the public, friends, or enemies) spoke negative words to the person from his childhood. They established these thoughts in the subconscious mind of the person.

The person sees himself as nobody in life. For example, parents are always advising their children that they are from a low-income families; therefore, they should behave like poor people. Because the child has been receiving these words from his parents, it makes the child see himself as weak and naked. The child cannot esteem himself as a great person in life because of the words received from his parents.

Another example is when a teacher consistently makes a mockery of a particular student in class because the person is not intelligent. Because the child has been receiving ridicule from his teacher, he sees himself as inferior. Under the old covenant, they restricted the Gentiles from entering the temple because of their sinful nature; it was the Jews who could enter the temple. This created psychological inferiority among the Gentiles that they were unclean. This is one reason some sinners become hardened in their evil deeds because the public has tagged them as sinful; therefore, they live with an evil mindset.

Some countries cannot advance because they are inferior psychologically. They believe they cannot develop their economy. They would instead bring foreigners to exploit them than allow their citizens to build the nation. I am not against foreigners developing our country. I am against is when citizens who are willing

and ready to work for their nation are ignored because they don't have connections. It is time we break these thoughts from our minds and see ourselves as God sees us.

We can never advance to the next level in life unless we break this inferiority. Everyone can create something in life. It doesn't matter your colour, family background, educational level, culture, size, and personality; you can also build something new, have faith in God, and use your mind to create opportunities.

- **Social Inferiority**

Social inferiority makes people unable to connect to great dignitaries in life. I realize that people will address you depending on how you see yourself. Inferior people cannot make friends. The fear of failure and the fear that people will despise them make them unable to connect.

It is not everybody that will love to connect with you. Do what you can do. If God ordains that you are supposed to connect to the person, the time will feature itself to enable you to communicate with that person.

If you see yourself as a beggar, people will respond to you as a beggar. If you see yourself as an important person, people will respond to you as an important person. Hide this secret key to yourself, ***“It is not everybody who will respond to you as you see yourself, some people feel inferior about themselves, and they***

will try to bring you to their level.”

- Have you ever seen an eagle flying with a crow before?
- Have you ever seen a cat walking with a chicken before?
- Have you ever seen an elephant walking with a deer before?

Even in the animal kingdom, they walk together according to their size. If you want to connect to a group of people, act like them. I am not saying you should pretend to be like them. No, what I’m saying is that study their movement, how they do their things, what they love doing, know their interest, and connect with them through those things.

Doing those things, it will help you connect with them because you cannot connect with someone who is into the ministry of God if you love worldly things. You cannot connect with a politician if you don’t study the rules of politics. You cannot connect with a musician if you don’t love music and the instruments of music.

CHAPTER THREE

CAUSES OF INFERIORITY

In this chapter, I will deal with the root causes of inferiority because without the root cause, I cannot give the recommended solution. Before an engineer fixes a car, he has to search for the cause before he can repair it.

The same principle applies here; if I don't lay down the root cause of inferiority, I cannot get the best antidote for inferiority. There are many causes of inferiority, but I will share with you the main causes. The list is as follows.

- **Peer Pressure**

The pressure of society, friends, enemies, and neighbours makes people feel inferior. Most often, the community can make you feel insecure. They pressure you to conform to their thinking pattern. Failure to adapt to their way of living empowers them to make you feel inferior. They will often provoke you because they want you to be like them. They want you to sin with them. If your friends are into womanizing and prostitution, they will pressure you to do the same.

If you refuse their offer, they will belittle you and make you think you are nobody. They will despise and shame you in public. When these things happen, it makes you feel inferior because you are the only one left out. You become odd among them. It presupposes that you are the holy angel among them.

- **Manipulations**

Inferiority can feature itself in the form of manipulation. This is when people expect you to be something or behave in a certain way, but deep inside you, you know that you cannot be that person or rise to that stage. It is a form of manipulation because people expect you to be what you are not.

There are situations where people may see the gift within that you cannot see yourself. This exaltation is not evil because it is genuine. However, there are instances where people try to manipulate you to behave, talk, act and walk in a certain way because they have placed those tags on you.

Anytime you look deep within yourself, you see that you are not up to that measure. This results in inferiority because you want to please them, but deep inside you, you know that you have not reached that level.

- **Fear of man**

The fear of man brings man into bondage because you always think of what others will say about you. If you always depend on a man for recognition, the spirit of inferiority will always dominate your environment. The fear of man snares your walk with God and activates the spirit of inferiority.

Why should you fear man more than fear God? It is good to respect and honour men, but you don't have to fear a man because the fear of a man makes you feel

inferior. You cannot go far if you fear what man can do to you. Meditate on these scriptures.

THE FEAR OF MAN BRINGETH A SNARE: but whoso putteth his trust in the LORD shall be safe.

Proverbs 29:25

And I say unto you my friends, BE NOT AFRAID OF THEM THAT KILL THE BODY, and after that have no more that they can do.

But I will forewarn you whom ye shall fear: Fear him, which after he hath killed hath power to cast into hell; yea, I say unto you, Fear him.

Luke 12:4-5

Get my book titled [*"The Mysteries of Fear"*](#) for more profound revelation.

- **Physical defects**

Most people feel inferior because they have defects in their bodies. Some people feel inferior to themselves because they are disabled, blind, deaf, and dumb.

Sickness makes people lose hope, and when you lose hope, you become insecure about the future. The fact that you are damaged does not mean that you are nobody in life.

- Ludwig Van Beethoven was deaf, but he did not allow this defect to

limit his potential. He is one of the greatest composers in history.

- Nick Vujicic has no arms and legs, yet he inspires others to be strong and courageous. He is an evangelist to the world. He can travel to forbidden countries where Christian missionaries are not allowed to enter. He is known worldwide for his creativity and motivation. He has written many books which have changed the lives of many.
- Mike Berkson, born with cerebral palsy, is one of the most exceptional motivational speakers in the world despite his weakness. He works with Tim Wambach to help elevate and activate people's creativity.
- Harry Boniface Prabhu is an Indian quadriplegic wheelchair tennis player. He is known worldwide for his medals in sports. The government of India recognizes him because of his determination and creativity.

Don't allow your defects to limit you and make you feel inferior because you are alive for a reason.

- **Few gifts and talents**

People feel inferior to themselves because they compare their gifts to others.

They say to themselves, look at this man, he can sing, preach, write books, work miracles, but I can only teach. These thoughts make you feel inferior, and when you are inferior, jealousy forms in your soul.

A man went to hide his talents because his friends had more than what he had. When the day of accountability came, he told the master he was afraid, so he went to hide his talent. God punished this man for his ungratefulness because he was not content with what he had.

The master added more gifts to the one who used his gifts (*See Matthew 25:14-30*). People are comparing their gifts to others. This is an evil disease you must cut out from its root before it affects others.

- **Criticism**

We live in an imperfect world surrounded by imperfect people. No matter how good you are, there will be people who will oppose you. Jesus Christ lived a perfect and sinless life, yet He had enemies. If you cannot stand criticism, then I think you shouldn't be alive because as far as you live, there will be someone criticizing you.

People often enter the realms of depression and inferiority because others criticize them. That is part of human nature. People will support, criticize, condemn, and oppose whatever you do. You must not allow their destructive criticism to make you feel inferior because they are not God Almighty.

There is a wise saying that says, ***“Enemies are not God.”*** Your enemies are not God to determine your outcome. The supreme power belongs to Jesus Christ. Criticism is bound to come, don’t allow the words and actions of others to make you feel inferior.

- **THE SPIRIT OF FEAR**

- Fear is a spirit of the enemy that blinds your hope and faith.
- Fear makes you hopeless about the future.
- Fear activates the spirit of inferiority.
- Fear blocks the Spirit of faith within your spirit.
- When you allow the spirit of fear to operate in your life, you allow the devil to take hold of your life.
- Anytime you allow fear into your environment, you permit the spirit of wickedness to dominate the environment.

The future of man lies in his faith, so for the enemy to conquer you, he has to break your faith. When the enemy breaks your faith, your soul enters the realm of inferiority and suicide. That is why you have to consistently feed on the Word to stand strong in the Lord. Get my book titled [***“How to Unlock the Gate of Faith”***](#) for more revelation.

- **Unrenewed mind**

The mind is like a garden; whatever you plant in the garden will germinate. If you plant the seed of fear, fear will germinate. If you plant the seed of hope, hope will germinate; if you plant the seed of success, success will grow. Failure to eliminate the weeds will cause the fruits to die. This is how God has made our minds.

The child becomes what he is taught and by what he sees. If you don't feed your mind with resourceful information, others will deceive, dominate and poison you with wrong information. How can a man exchange gold with a mirror? It is because he is immature in the brain. Ignorance can kill you. Ignorance will make you feel inferior. Get my book ["Spiritual Codes"](#) for more profound revelation.

- **Perceived Status**

No matter how clean a pig is, it will always delight in a polluted environment because that is how it has programmed itself. People feel inferior to themselves. They allow their culture, family, country, educational level, and colour to control their thoughts and actions.

When someone conceives a thought about himself, no matter how much value you place on the person, he will never value himself because that is how he has tagged himself. People see themselves as enslaved people and beggars. They

have locked themselves up in an invisible prison, thinking they can never shine. The devil hijacks people in the prison of inferiority because that is how they have labeled themselves.

- **Over sensitiveness**

Some people are too sensitive to the extent that anybody can provoke them. Such people fight unsound people when they provoke them. How can you fight a mad person when he throws a stone against you? Analyze that he is insane.

Fighting the mad person will place you in his category because he does not know what he is doing. He thinks he is doing the right thing.

It is like a city without walls; the enemy can attack the city. People are too emotional to the extent that they accept whatever comes their way. They are ready to respond to any words spoken against them. Such people fall prey to the spirit of inferiority. If you are too sensitive to the words and actions of men, women, and the crowd, you will always feel inferior.

- **Inability to keep your secret.**

This is one of the main causes of inferiority. People cannot keep their secrets;

they go about sharing their secrets with others and expecting them to keep them. When someone gets to know every information about you, the person can make you feel inferior because he knows how to press your bottoms to make you feel inferior. Share your secrets with the Holy Spirit or with someone confidential, trustworthy, Godfearing, and capable of solving the problem.

- **Lack of prayer**

Failure to build a consistent prayer life makes your spirit weak. If you don't pray, the enemy sees you as potential prey. Failure to pray creates an environment for the enemy to attack your mind. It is difficult for the spirit of inferiority to operate in your life when you pray because prayer builds your Christian life and allows the Spirit of God to dominate your environment.

If you don't pray, evil spirits will create an invisible cord of inferiority within the environment you are living in. Neighbors will fight themselves. The spirit of jealousy will dominate the environment, which will open the doors for other wicked spirits to dominate the place (***See James 3:16, 1 Corinthians 3:3***).

If Luke (***Gentile Christian leader***) was not prayerful, he could not have preached to the Jews and Gentiles because the Jews perceived the Gentiles as Inferior. The Jews were always opposing the Gentiles. Glory to Jesus Christ because Jews and Gentiles are one (***See 1 Corinthians 12:13, Galatians 3:28***,

Acts chapters 9 and 11).

- **Too Melancholy**

One of the most substantial weakening of melancholic is depression and negative thoughts. A Melancholic most often looks at the dark side of the issue, while the Sanguine most often looks at the positive side of the problem. If you are too negative, people will think you are inferior. Negative thought breeds inferior thoughts because the mind is damaged in the first place.

Sometimes what you think is always right may not be accurate because you may be deceived. It is like a student whom his teacher has taught that all birds are male. No matter how hard you try to convince the child, the child will always accept the teachings of his teacher because he believes the teacher is always right.

The fear of the crowd can create an inferiority complex because it makes you unsociable and resistant to change. Anytime people draw near, you might think they are coming to destroy you. It is a bad attitude you must repent from because deep depressed melancholic always feel inferior within himself.

CHAPTER FOUR

BREAKING THE SPIRIT OF INFERIORITY

In this chapter, I will share some of the keys you can use to break the spirit of inferiority. I have tested the keys, and it is working for me. Breaking the spirit of inferiority allows you to operate in boldness. It empowers you to be creative. The keys are as follows.

- **Constant meditation of God's Word (Holy Bible).**

To break the spirit of inferiority, you need to meditate on the Word of God because the Word (***Holy Bible***) is full of God's thoughts. When you feed your mind with the Word, you think and act like God. God has hidden His wisdom in the Word, so if you want to break the mindset of insecurity, low self-esteem, inferiority, jealousy, and pride, you must make time for the word of God. Get my book titled [***"How to Grow in the Realms of the Spirit"***](#) for more profound revelation and truth.

Anytime you feed your mind with the Word, a transformation takes place in your soul because the Word has the inherent powers to break the evil thought planted into your brain.

The Word will rebuild you and make you align with the purposes of God if you consistently feed on it. Make it your habit to practice the Word because the Word

is full of God's power.

The power within the Word can conquer every force fighting against your life. If it is a bad attitude, the Word can break those thoughts because the Word is a hammer that breaks every idea of the wicked. Some thoughts contradict and oppose the beliefs of God. It can be the words received from your parents, friends, enemies, leaders, guardians, and co-workers. You need the Word to break those thoughts because they can make you feel inferior.

Nothing can stop the Word because whatever God created came out from the Word (***Meditate on Hebrews 11:3***). This means that the creation of God must obey the Word if you speak them with the tongue. Get my books titled “[***The Book of Mysterious Visions***](#)” and “[***How to Walk and Live in the Spirit***](#)” for deeper revelation. Let these profound secrets enter your soul.

- Curses submit when you declare and confess the Word!
- Poverty submits when you declare and confess the Word!
- Sickness submits when you declare and confess the Word!
- Hopelessness submits when you declare and confess the Word!
- Fear submits when you declare and confess the Word!
- Wickedness submits when you declare and confess the Word!
- Demons submit when you declare and confess the Word!

- The human authority submits when you declare and confess the Word!
- Satanic forces submit when you declare and confess the Word!
- Every negative seed planted by the enemy submits when you declare and confess the Word!
- The culture submits when you declare and confess the Word!

Meditate on these scriptures.

Is not my WORD LIKE AS A FIRE? saith the LORD; and LIKE A HAMMER THAT BREAKETH THE ROCK IN PIECES?

Jeremiah 23:29

For the word of God is QUICK, and POWERFUL, and SHARPER than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.

Hebrews 4:12

- **Confession on God's Word (Promises of God)**

To break the spirit of inferiority, you must consistently confess the promises of

God recorded in the Word because Satan and his minions cannot challenge the authority of the Word. No man, organization, country, or jurisdiction can challenge the authority of God's Word.

Confessing God's Word creates an invisible shield around your spirit and soul. When you speak out God's Word, it becomes an offensive weapon in the sight of your enemies. Failure to confess God's Word makes the enemy's arrows stronger in your life.

When you speak out God's Word, all the defences of evil thoughts break in the realm of the Spirit. Your enemies become weaker and weaker; the more you confess God's Word. When you confess God's Word, it makes your spirit strong and resistant to the enemy's attack. When you try to connect magnets of the same poles, they repel because of the force within.

The north pole of a magnet cannot attract the north pole of another magnet. This is how you become in the realms of the spirit when you confess God's Word. Failure to confess God's Word makes the enemy's arrows hit you in the realms of the spirit.

You will be attracted to their attacks anytime they fire arrows of inferiority at you. It is like the south pole of a magnet and the north pole of a magnet; they always attract. This is how the enemy will see you in the spiritual realm.

All the enemy's arrows will hit you when you fail to declare God's Word. If you are in Christ Jesus, all the promises of God and Abraham belong to you (**See**

Deuteronomy 28:1-14, Genesis 12:1-2, Galatians 3:13-14; 5:14, Romans 13:8-10).

Some spoken words make us feel inferior. Let us read from the Word.

YOUR WORDS HAVE BEEN STOUT AGAINST ME, SAITH THE LORD.

Yet ye say, What have we spoken so much against thee?

Malachi 3:13

God is saying that our words have restrained Him from working in our lives.

People often speak negative words to others and themselves. They don't know that these words can limit them and allow the evil spirits to hold them captive.

You will hear people saying my sickness is ***“these and that.”*** They always make a negative confession about their life.

This results in inferiority because negative confession creates a psychological effect in the subconscious sector of the mind. Let me show you a scripture before I reveal some mysteries about the words we speak in our daily lives.

DEATH AND LIFE ARE IN THE POWER OF THE TONGUE: and they that love it shall eat the fruit thereof.

Proverbs 18:21

1. Words are invisible creative forces in the spiritual, metaphysical, and earthly realm.
2. Words create a hidden image in the mind of men.

3. Words can devalue and upgrade a man.
4. Words can make a man lose focus in life.
5. Words are supernatural weapons God has given to His creation.
6. Words are invisible creators; They can change the atmosphere of a community, a city , or an entire country.
7. It is recorded in the book of Genesis that God created the World with the Word.
8. The seas, animals, trees, and everything we see on this earth were created with the spoken Word.
9. Before God could create humankind, He spoke to Jesus and the Holy Spirit before He created humankind. This means that there is power in words.
10. Words can hold the destiny of a man without his knowledge.
11. Words can boost a man to work beyond his ability and strength.
12. Words spoken with the tongue are full of power and authority.
13. The purpose and the assignment of man can be fulfilled with the power of Words.
14. Words established in the subconscious mind can make or unmake a man.
15. Words received from childhood can build a man's future; the same Words can destroy the image and courage of a man.

16. When someone speaks words of curses to you, your reaction changes because you believe the spoken words of the person can work.
17. Words can stimulate your emotions and desires.
18. Words can make you humble and meek if it is spoken respectfully.
19. Words can make you act abnormally when it is expressed negatively.
20. Words in music can influence your emotions because it carries a supernatural power you cannot see with your physical eyes.
21. Words received from guardians, teachers, older people, and the public can stimulate your attitude.
22. Words can make you angry and lose focus on what you are doing.
23. Words can cause men to fight each other without thinking of the consequences.
24. Words can make close friends become bitter enemies.
25. Words can bring enemies together.
26. Before God can perform a miracle in the life of a man, He has to speak to Him and remind Him of His Word.
27. Nothing in this world works without words because words spoken can create symbols and images in the thoughts of men to enable them to act upon them. For example, when someone tells you to buy a phone at a nearby store. The image of

the phone and the image of the store drop into your mind before you take action.

28. Words hold the life of the soul.

29. Words are defensive weapons against negative forces.

30. Words are offensive weapons against invisible enemies.

31. Words can transform the hopeless into a hopeful person.

32. Words can make people commit suicide.

33. The enemy uses our spoken words as a license to control us.

34. Words can determine your level of knowledge and maturity.

35. Words are invisible controllers of God's creation.

36. Words can downgrade or upgrade your faith.

37. Words can make evil spirits draw close to you.

38. Words can drive holy angels towards you.

39. Words can create an atmosphere within your jurisdiction.

40. Words are universal chargers to your spirit and soul.

I hope these few revelations have broadened your knowledge. Get my book titled [**"Spiritual Keys for Life"**](#) for more profound revelation and truth.

Remember to search out for the promises of God in the Word and confess them daily in your life. I tell you, the spirit of inferiority will break in your life. Let's

read from the Word.

And now, brethren, I commend you to God, and to the **WORD OF HIS GRACE, WHICH IS ABLE TO BUILD YOU UP, and to GIVE YOU AN INHERITANCE** among all them which are sanctified.

Acts 20:32

Paul is telling all believers in Christ Jesus to build themselves up in the Lord by confessing the Word daily in their lives. Meditate on these scriptures.

For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater:

SO SHALL MY WORD BE THAT GOETH FORTH OUT OF MY MOUTH: IT SHALL NOT RETURN UNTO ME VOID, BUT IT SHALL ACCOMPLISH THAT WHICH I PLEASE, AND IT SHALL PROSPER IN THE THING WHERETO I SENT IT.

Isaiah 55:10-11

Let us hold fast the profession of our faith without wavering; (for he is faithful that promised;)

Hebrews 10:23

Make these confessions and declarations from your heart with absolute faith and show them daily in your life because they are biblical. Remember, the enemy

can never resist the Word because Jesus Christ defeated Satan with the Word.

There are uncountable promises in the Word; search out for the promises, declare them in your life, and the spirit of inferiority will never attack you.

- **The Spirit of faith**

Faith is the life of the Christian because, without faith, it is impossible to walk with God. Faith is one of the greatest virtues of the Spirit because it enables us to please the Lord. Faith connects our spiritual mind to the mindset of the Holy Spirit.

Faith blocks the mockery and the accusations of the unbelievers and allows us to walk with God. When you walk with the mind and the spirit of faith, inferiority can never feature itself in your life. Grow your faith by hearing more of the Word (***Meditate on Romans 10:17***).

Connect with people full of faith. Listen to faith sermons preached by anointed men and women of God, and you will be full of faith. When faith is in operation, inferiority will never break in to attack you. Meditate on this scripture.

But ***WITHOUT FAITH IT IS IMPOSSIBLE TO PLEASE HIM***: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.

Hebrews 11:6

- **Life of Contentment**

Contentment is one of the greatest keys to happiness in life because it produces peace and creativity. If you are content with what you have and you believe in God for a better life as you work effectively, the spirit of inferiority will never overtake you. Get my book titled [“One Step in the Light One Step in the Darkness”](#) for more revelations.

- **Consistent Prayer life**

Prayer is one of the most excellent antidotes to inferiority. Every Christian must not ignore this secret weapon in his walk with the Holy Spirit because Jesus Christ prayed when He walked on earth as a man (**See Luke 6:12**). Prayer is a secret divine weapon against the spirit of inferiority.

The more you pray in the spirit, the stronger your spirit becomes. If you are not prayerful, your enemies will dominate your soul and spirit. Failure to pray makes the spirit of inferiority stronger and active in your life.

Connect with Christians who love prayer. When you connect with prayerful Christians, they strengthen you in prayer. When you pray consistently, the Holy Spirit becomes active in your life.

Remember that the Holy Spirit fights your invisible enemies for you if you pray consistently. The holy angels and the archangels will always surround you when you are prayerful (**See Psalm 34:7**). A devout Christian is a prayerful Christian. Make prayers your daily habit, and you will always conquer the spirit of inferiority.

- **Unequal yoke with Unbelievers**

Most of the cars and the buildings owned by the unbelievers are vain because

their source of worth is questionable. We can never trust the wealth of the unbelievers because they can kill and destroy for wealth. If you always compare yourself with the unbelievers, you will feel inferior.

The unbelievers operate only by what they see, feel and hear. Christians operate with the mindset of faith (*See 2 Corinthians 5:7*). Most often, the unbeliever lusts after temporal things such as cars, houses, lands, airplanes, ships, and other material things.

As Christians, the Word commands us not to equally yoke with them.

Be YE NOT UNEQUALLY YOKED TOGETHER WITH UNBELIEVERS: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?

And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?

And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people.

Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you,

And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty.

2 Corinthians 6:14-18

The unbelievers are controlled by the prince of this world (***Satan, See 2 Corinthians 4:4***). Satan is an archenemy to God and His creation. We cannot trust an entity that opposes our Lord and Saviour, Jesus Christ. Get my books.

The unbelievers will make you feel inferior when you walk on the path of righteousness. This is one reason God advises us as Christians not to yoke the unbelievers equally. Get my book titled [“One Step in the Light One Step in the Darkness”](#) for more profound truth on this topic. There is another scripture I want to show you; let’s read.

Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful.

But his delight is in the law of the LORD; and in his law doth he meditate day and night.

And he shall be like a tree planted by the rivers of water, that bringeth forth his

fruit in his season; his leaf also shall not wither, and whatsoever he doeth shall prosper.

Psalm 1:1-3

God is warning us not to walk in the path of sinners. We must not envy their wealth because they are vain. We should delight ourselves in His Word, lean on His promises, and work effectively. If you walk on this path, the spirit of inferiority will never conquer you. Meditate on these holy scriptures.

Envy thou not the oppressor, and choose none of his ways.

Proverbs 3:31

Let not thine heart envy sinners: but be thou in the fear of the LORD all the day long.

Proverbs 23:17

Be not thou envious against evil men, neither desire to be with them.

For their heart studieth destruction, and their lips talk of mischief.

Proverbs 24:1-2

Fret not thyself because of evil men, neither be thou envious at the wicked;

For there shall be no reward to the evil man; the candle of the wicked shall be put out.

- **Boldness and Courage**

The lion is not the strongest and the biggest animal in the jungle, yet all the animals see the lion as their King. The Elephants and other strong animals run for their lives when they see the lion. What makes the lion fearful when another animal sees it? It is because of its strong spirit.

The lion sees itself as the strongest because that is how it has perceived itself. This means it doesn't matter your size or length; all you need is courage and boldness. These two virtues conquer the spirit of inferiority.

Have not I commanded thee? ***BE STRONG AND OF A GOOD COURAGE***; be not afraid, neither be thou dismayed: for the LORD thy God is with thee whithersoever thou goest.

Joshua 1:9

Why did God command Joshua to be strong? God commanded Joshua to be strong because, without this virtue, you cannot lead a group of people. God was reminding Joshua to activate the Spirit of courage. You cannot lead a group of people with an inferiority mindset. It takes these virtues (***boldness and courage***) to enable you to conquer the spirit of inferiority.

Nobody likes to follow a weak person. There is a caution here; sometimes, you may walk with the mindset of a superiority complex and think you are courageous.

A superiority complex is when you look down upon everyone in the team and behave like a tyrant. Don't replace superiority complex with boldness and courage. A courageous person defends and uplifts the weak.

- **Love for wisdom**

The more you read, the higher you grow in knowledge. If you are full of knowledge, you are full of power because knowledge builds your self-confidence. For example, if you know how to lock your computer with a password, you will never fear if someone steals your computer because, without the password, the person cannot access your information. That is how you break the mindset of inferiority.

The more you read, the higher your knowledge increases. Read books that will broaden your knowledge. There is nothing in this world that you cannot learn if you are determined and consistent. It is only narrow-minded people who always feel inferior.

Make it a habit to read books even if you don't like reading. It is said that if you want to hide anything from an African, hide it in a book. I believe it is a fallacy

because I am an African, and I love reading. I have friends who love reading, and they are Africans.

It is said that readers are leaders; well, it may be a half-truth because some people love reading, but they are not leaders. I believe that reading books break the spirit of inferiority because the more you know, the less inferior you feel about yourself. This key works for me, and it will work for you if you read more books. Meditate on this scripture.

STUDY TO SHEW THYSELF APPROVED UNTO GOD, a workman that needeth not to be ashamed, rightly dividing the word of truth.

2 Timothy 2:15

- **Connecting with sincere and godly friends**

Someone has influenced you in life. In our modern world, different mediums are influencing our way of life. The internet is one of the mediums, the television, the media, the church, co-workers, enemies, and neighbors make a significant impact on our lives.

The question is, who is influencing you?

- Which kind of people is influencing you?
- How do their words shape your life?

- Is it affecting you positively or negatively?

The best connection you can ever have in life is to connect with sincere and godly people because they make you feel less inferior. Real friend rebukes honour, and shape you in your vicissitudes of life.

Godly and sincere friends will hide nothing from you. They can correct you when you make mistakes; they can encourage you when you lose hope. They are there to help you reach your destination.

Before you can connect with such people, you must be a godly and sincere person before attracting such people in life. You attract who and what you are.

- **The power of music**

Spirit-filled music breaks every negative spirit hanging in the atmosphere. It is recorded in the scriptures that the music of David drove away from an evil spirit.

And it came to pass, when the evil spirit from God was upon Saul, that David took an harp, and played with his hand: so Saul was refreshed, and was well, and the evil spirit departed from him.

1 Samuel 16:23

An evil spirit was tormenting King Saul because of his wickedness. The word of God further states that when David played his harp, Saul was refreshed, which means Saul was going through emotional pain and discomfort. It took the power

of music to drive away from this negative force.

When David played the harp with his hands, the evil spirit departed from King Saul. This should make you understand that there is power in music. If music can refresh the mind of a person, then what do you think evil spirits will do when you worship and praise God from your heart.

Evil spirits can make a person feel inferior and depressed. To break these forces, you must love spirit-filled and anointed music.

You can play worship and praises in your room using your sound system. You can worship and fellowship with the Holy Spirit through music even on your phone and laptop. Download Gospel music onto your phones, tablets, and laptops.

Connect your earpiece to your electronic devices and praise God from your heart. Every negative spirit operating in your environment will break as you follow this path.

- **Avoid willful Sin**

Sin is one portal evil spirits use to enter a person. Every human being has an entry point because man is a spirit, he has a soul, and the soul lives in a body (*See 1 Thessalonians 5:23*). Husband and wives become one in the spirit and the

soul through sexual intercourse and friendship (*See Genesis 2:24*).

Sexual sin creates a soul tie and a blood covenant. Evil spirits can enter a person when he commits sexual immorality. Let us read from the Word.

Know ye not that your bodies are the members of Christ? shall I then take the members of Christ, and make them the **MEMBERS OF AN HARLOT**? God forbid.

What? **KNOW YE NOT THAT HE WHICH IS JOINED TO AN HARLOT IS ONE BODY?** for two, saith he, shall be one flesh.

But he that is joined unto the Lord is **ONE SPIRIT**.

1 Corinthians 6:15-17

The word of God states that when you sleep with a harlot, you become one with the person. Most often, harlots and womanizers are possessed by evil spirits because they have connected with different people. Why do ministers of God deliver people possessed with evil spirits?

How did the evil spirit enter the person? The private part of men and women is one of the entry points of spirits. How can a Christian become one with the Holy Spirit because the Word says in “**1 Corinthians 6:17 But he that is joined unto the Lord is ONE SPIRIT.**” This means that when you connect with someone possessed by an evil spirit through sexual intercourse, the spirit of inferiority living in that person can possess you because the Word says if you join with a

harlot through sex, you become one with the person.

Some people carry the spirit of hopelessness, the spirit of wickedness, the spirit of pride, the spirit of inferiority, the spirit of fear, and different spirits. Be careful with the person you connect with because it is a trap of the enemy to make you feel inferior.

- **Breaking the spirit of absolute perfection**

Absolute perfection will feature itself when we unite with Jesus Christ (***See Revelation chapters 21 and 22***). As far as we live in this corruptible body, we guarantee errors feature themselves no matter how we try. This does not mean that we should not strive to attain perfection. The more we get closer to Jesus Christ, the better we become. We can only find absolute perfection in Jesus Christ.

Jesus Christ would never save us from our sin if the law could save us. God knows that humankind cannot save themselves, so He sent Jesus Christ to the earth to save us from our sin and reconcile us to the Heavenly Father. We may have some character deficiency that should not allow us to make us feel inferior because the blood of Jesus Christ has settled the debt of sin. Know these truths.

- The Holy Spirit is our helper because we cannot help ourselves (***See Romans 8:26***).

- The Holy Spirit is our defender because we cannot defend ourselves
(Meditate Romans 15:13).
- The Holy Spirit is our teacher because we don't know everything
(John 14:26, 1 Corinthians 12:3).
- The Holy Spirit is our guide because we are blind and limited in nature
(See John 16:13).

We need the Holy Spirit to help fill the inferiority gap in our lives because, without Him, all hope is lost.

*2 TIMOTHY 1:7 FOR GOD HATH NOT GIVEN US THE SPIRIT
OF FEAR; BUT OF POWER, AND OF LOVE, AND OF A
SOUND MIND.*
