FIRST WORD

I want you to take your time to read this book with an open mind. In addition to reading it, you must prayerfully act on the instructions given there, if all you want is a blissful home and a better future.

An elderly man looked at the present day youth(s) and concluded that "Young men and women are many in the church but the marriageable ones are scarce". What this old man was saying in essence is that not all singles in the church are 'marriage materials' because of their behaviours and attitudes. But how do you know those that are not 'marriage materials'? This may be difficult. In this book, I will try to open your eyes to some of them.

I have taken my time to expose all these 'Brother less Brothers' and 'Sister less sisters', so that you may watch out as you make up your mind on whom to marry.

If you are currently in a relationship, use this book to x-ray it. You will know whether you are on the right path or on the path of dishonour. Use it to check whether you are truly **engaged or encaged**

My sister, before you say "Yes, I will do" (before you start a courtship) or "Yes I do", please read this book with all sincerity and be prepared to change. May the

wisdom of the Lord find expression in your life.

Note: I deliberately decided to use everyday names to represent these unmarried guys and ladies so that you would be able to identify them quickly whenever you see them. Be patient. Look before you leap. *Your life depends on your marital decision.*

It is well with your tomorrow.

Shalom!

WHO TO MARRY?
15 FACTS YOU NEED TO KNOW ABOUT
MARRIAGE
WORK ON YOURSELF
BEFORE YOU SAY "YES I DO" (FOR SISTERS
ONLY)
BEFORE YOU SAY "YES I DO" (FOR BROTHERS
ONLY)

CHAPTER 1

BROTHER/SISTER "SYMPATHY"

"If the foundation be destroyed, what can the righteous do?" (Ps. 11:3)

Never marry out of sympathy. If you do, people will later sympathise with you. If you must marry a brother or sister, sympathy should not influence your decision. A brother decided to marry a sister because he discovered she needed somebody by her side at thirty-five. So, he was ready to marry her "to comfort her", since all her peers are married". This is a good example of sympathy-induced marriage.

Some years back, a friend of mine got involved with a lady because she lost her mum. He thought the best thing he could do for her was to be close to her during her trying period. However, the closeness turned to a relationship, without any thought for God. It was only God that delivered the brother from the problems that later emanated from the relationship.

Do not think you are helping anybody by marrying them. Marry out of love, never out of sympathy. **Sympathy** will soon end, leaving only **reality**. Stop writing letters to generate sympathy for yourself. Never marry on the basis of sympathy.

After three years of courtship, a lady said she discovered the brother she assumed was a born again Christian is a fornicator and drunkard. But she did not want to leave him because they met when she lost her elder brother. The brother really stood by her during her trying period. So, she did not want to hurt him, even when it was glaring that the brother was not born again.

Please, my dear brothers and sisters do not sympathise with anybody to the point of trading away your life, your peace, joy and even your destiny. Marry a born again Christian according to the will of God. Be in love. Never marry for sympathy.

WISDOM TIP

**IF YOU MARRY FOR SYMPATHY,
PEOPLE WILL
SOON SYMPATHISE WITH YOU.**

CHAPTER 2

BROTHER/SISTER "CATERPILLAR"

"Frowardness is in his heart, he deviseth mischief continually; he soweth discord"

Prov. 6:14

These are Christians who do not stay where things are done rightly. They revel in crisis and see nothing good in what others do.

Just as a caterpillar can destroy pillars but can not build any, so these Christians can only pull down.

If they join the choir; problem starts, when they join prayer warriors; prayer ceases, as disputes have to be settled among members almost every week.

They are gossip and backbiters. They keep malice and are filled with unforgiving spirit, resentment and bitterness.

If you marry any of such Christians you are invariably saying good-bye to your peace. The Bible calls them contentious women (and men) in **Proverbs 26:21, 21:9.**

A man or lady that often causes disputes among brethren should not be your own choice of partner.

He or she is not a church-builder but a church-destroyer. He or she is a caterpillar.

WISDOM TIP
YOU CAN DECEIVE ANYBODY,
YOU CAN DECEIVE SOMEBODY BUT
YOU CANNOT DECEIVE EVERYBODY

CHAPTER 3

BROTHER/SISTER "DARAPRIM"

"Not forsaking the assembling of ourselves together, as the manner of some is" Heb. 10:25a

Daraprim is an anti-malaria drug taken every eight days. It is also known as "Sunday- Sunday Tablets".

Brother/sister Daraprim are Christians who do not attend mid-week services, vigils or special programmes. You see them in church only on Sundays "to fulfill all righteousness", as they would say. And whenever they come to the church, they would arrive late. Sunday school is never part of their own service. They always come to the church with New Testament Bible (Gideon Int'l copy), if they come with any at all.

They enjoy the praise worship session but messages or sermons are always boring to them. Prayer sessions are always too

long. They never pray with zeal, but look around as people sweat it out in prayer. The prayer life of this type of Christian is zero. Their Bible study life is nil. The last time they fasted was when they had a serious problem or nightmare. Do not marry such an unserious Christian if you want peace of mind. They may promise to change just to marry you. Do not trust them for God himself does not even trust them.

They always look for people (Prayer Contractors) to pray or even fast on their behalf, and are ready to pay for it. They write long prayer requests and look for miracles all over the place. If you have to beg a man or force a lady to attend church service, then you must know that he or she does not fear God.

Don't marry such dangerous fellows. You have not found an ideal marriage partner.

NEVER MARRY A "DARAPRIM"

BROTHER/SISTER.

WISDOM TIP

**IF YOU WANT MARRIAGE
TO LAST, PUT GOD FIRST.**

CHAPTER 4

BROTHER/SISTER "FIRE BRIGADE"

They are unserious Christians like "dara-prim" Brothers/sisters. But unlike the former that do go to church every Sunday, Sister/Brother "fire brigade" will only go

to church when they have problems or when they have had a bad dream or nightmare or when they fall sick.

They are having what I call a "doctor-patient" relationship with their God. You know people don't visit doctors until they are sick and as soon as they are well they forget about doctors until they fall sick again. This is what "fire brigade" Christians do with God.

They see God as a miracle worker and consider offering as the price of miracle received. They see the church as a hospital to be visited only when one is "down" or needs help and nothing more. They do not have a relationship with God and righteousness is strange to them.

If you give your hands to such people in marriage, you are building a wall of separation between you and God. You are also enrolling in the SCHOOL OF MARITAL FAILURE,

A "fire brigade" brother/sister can set your life on fire if you fail to listen to the voice of reason now.

Refuse to marry somebody that have divorced Christ.

WISDOM TIP

**THE FEAR OF THE LORD IS THE
BEGINNING OF GOOD MARRIAGE**

CHAPTER 5

BROTHER/SISTER "CELEBRATION"

**"Seek ye the Lord while he may be found,
call upon him while he is near" Isa. 55:6**

These Christian do not go to church on Sundays or even when they have problems. They only go during festival periods like Easter, Christmas, New Year and other anniversaries. They go there to show their latest clothes and new dancing steps. They are ceremonial Christians and nothing more.

If you love your life and you do not want the devil to make a mess of it, never marry people like these. The fear of the Lord is alien to them. They have no space for the Lord in their hearts.

Be warned. Never marry any Christian that is not serious with his or her God. They are not good for your life and destiny. Never marry anybody that is not married to Christ. He or she will puncture your rest and good life. **Any man or woman that hates the fellowship of the people of God is in fellowship with the devil.** Run away from them.

CHAPTER 6

BROTHER/SISTER "VULTURE"

"Return, ye backsliding children, and I will heal your backsliding" Jer. 3:22

The vulture is a bird that specializes in eating dead and stinking animals. It loves dirty places and environments filled with carcasses.

We have vultures too among brethren. We need to know and avoid them like a plague.

Brother or Sister "vulture" is the kind of Christian that dwells in the flesh and never in the spirit. They are not children of God (Romans 8:14). Their words reflect their minds. Their character denies any allegiance to Christ. Pre-marital sex is not fornication in their dictionary; rather it is seen as fun. They see God as merciful and fail to realize that He is also a judge.

Such Christians never see anything good in their pastor and other brethren. They

are carriers of evil tidings. They still wallow in sin, despite holding important positions in the church. They are wild and lack testimony of conversion.

Please never marry these unregenerated souls. They are under the divine curse unless they repent. **The future is very bleak if you exchange vows with a vulture.**

WISDOM TIP
YOUR FRIENDS ARE YOUR
REAL ENEMIES,
IF THEY ARE NOT FRIENDS OF CHRIST

CHAPTER 7

BROTHER/SISTER "9:30"

"Slothfulness casteth into a deep sleep and an idle soul shall suffer hunger.

"Prov 19:15

These people are called "9:30" because of their laziness and excessive sleeping habits. They sleep as if they are drugged. They snore as if they are blowing trumpets.

They are so lazy that they even find it difficult to wash their own clothes. They can sleep by 9 pm and wake up by 9:30am

the following day. That is why they are known as Brother/sister "9:30".

They have forgotten that **the love of sleep is the beginning of abject poverty** (Prov. 19:15)

Lazy people will beg from their mates later in life.

Lovers of sleep will be in BED when blessings are on the FIELD and will suffer want. If you are not ready to live in want, do not marry a 9:30 person. If you really desire a brighter future, such a person shouldn't be your choice of marriage partner. However, if you are content with rags and life on the dunghill, then you can go ahead and marry such. Some of them are vibrant tongue-speaking, Holy Ghost-carrying Christians, but they never read and obey 1 Tim. 5:8 in their Bibles.

Some sisters can speak in tongues but cannot prepare a simple meal. Will speaking in tongues help them in the kitchen? Some brothers can preach but their hands can not reach out to work on the field. Run as fast as possible from these people if you don't want to live in penury. If you are one of them, please change before poverty and penury catch up with you.

WISDOM TIP
THE LOVE OF SLEEP IS THE BEGINNING
OF ABJECT
POVERTY (Proverb 19:15)

CHAPTER 8

BROTHER/SISTER "N.F.A"

"Where there is no vision, the people perish; but he that keepeth the law, happy is he"

Proverbs.

29:18

N.F.A means **NO FUTURE AMBITION**. That is why the abbreviation is used to refer to people without visions, goal or ambitions. A goalless and visionless life is a straight road to poverty and lack of fulfillment in life. That is why Proverb 29:18 says where there is no vision, the people perish. In fact, living without a goal is tantamount to living like an animal.

A goalless life is a godless life. **People of goals are the people of God.**

Anyone without a plan for tomorrow is as hopeless as the dead body deposited in the mortuary, just waiting for the undertakers to take it to the graveyard.

If you must marry, never marry a person without vision. Never marry a person that behaves as if tomorrow does not exist. They say, they "take life as it comes". They have forgotten that if people that lived before them had taken life as it came without changing anything in it, the world would still have been in the Stone Age.

Brother or sister "No Future Ambition" is not the best marriage partner for an ambitious person. Never marry such.

Going out with a person without vision is like traveling in a car with the windscreen covered. You know what will happen? A motor accident is even better than a life and destiny accident that will happen if you marry a brother or sister N.F.A.

God saw how busy Adam was before he gave him a wife. Adam was a farmer; **"a reaper"** That is why God gave him **a helper**. You must have a vision to qualify for a partner. Never marry somebody without a vision.

A GOALESS LIFE IS

A GODLESS LIFE

WISDOM TIP

**IF YOU LIVE WITHOUT A GOAL,
YOU WILL LIVE LIKE A GOAT**

CHAPTER 9

BROTHER/SISTER "JOHN 10:10a"

"The thief's purpose is to steal, kill and destroy" John 10:10a (Living Bible)

Brother or sister "John 10:10a" is the one that comes to steal, kill and destroy. He or she does not want you for anything but to steal your glory, kill your spiritual life and destroy your destiny.

Any brother or sister that suggests fornication is a destroyer, a brother/sister John

10:10a indeed. If you are presently engaged to somebody and all you do is to fornicate together, both of you are unwise. If you are engaged to somebody and all what he or she is looking for is sexual relationship, run away from that person. Do not marry him. If you do, do not be surprised if he dumps you in future for another person or sleep with your housegirl. Sister, if you marry a "John10:10a" bother, do not be surprised, if he later comes home with a "Tokunbo" lady (prostitute) or if he starts to sleep with your friends or the girls in your neighbourhood. Fornication is against your body and your God. It is a burning fire that the fire brigade can not extinguish (Proverb 7)

Fornication destroys faster than a bullet in the bowel. It is more deadly than poison. Don't agree with anybody that suggests pregnancy before marriage. It is a satanic advice. Do not yield to it, lest you become the enemy of God and put yourself under divine curse.

WISDOM TIP

**FORNICATION DESTROYS FASTER
THAN BULLET IN THE BOWEL.
IT IS MORE DEADLIER THAN POISON**

CHAPTER 10

BROTHER/SISTER "MOLUE"

**He that hath no rule over his own spirit
is like a city that is broken down, and
without wall"**

(Prov.

25:28)

Readers outside Lagos (Nigeria) may not really know what '*molue*' is, but "*molue* needs no introduction to Lagosians, being a part of their daily lives.

'*Molues*' are commuter buses in Lagos. They are built to conveniently sit about 60 people but after these 60 people are seated; about the same number of people may be standing. They will be packed together like canned sardine. You can imagine the situation. Fights do break out any-time inside a '*molue*' and it is always like a street fight.

Anything can happen inside a '*molue*'. Some will preach; some hawk their wares, while some do beg for alms. Everybody talks at the same time, there is no courtesy or respect inside "*molue*".

"*Molue*" conductors are always rough, tough and uncultured. They behave like animals. "*Molue*" drivers are not different from their conductors. They drive as if they are demonic and under the influence of drugs.

"*Molue*" buses are always dirty. It's never convenient inside a "*molue*". You may never understand what I am saying about "*molue*" until you experience it. The drivers do not stop at bus stop; passengers jump in to board and jump out to alight.

A brother/sister "Molue" like a "molue" bus is uncultured and unprincipled. Anything goes. A Molue lady dresses anyhow and usually exposes her breast and other sensitive parts of her body. Brother or sister molue is usually shameless.

They call themselves brothers or sisters yet date two or three partners at the same time like an overloaded "molue" still craving for more passengers.

They have no shame and fear of God. They have reprobate minds and are given to fornication. They commit fornication now and then go to church to speak in tongues; lifting unholy hands in "one discord"

Some of them even live together before marriage. They call it "trial marriage" or "cohabitation". It is indeed true that they are putting their lives on trial in the court of the devil where there will be no mercy for them.

IT IS FOR BETTER FOR WORSE FOR LIFE. NEVER MARRY A "MOLUE" MAN OR WOMAN.

Marry somebody that is decent, somebody that fears God; somebody that loves you; somebody that is upright. A marriage partner is not like a room mate that can be changed any how.

WISDOM TIP

A LIFE WITHOUT RULE IS A LIFE

OUT OF

TUNE

CHAPTER 11

BROTHER/SISTER “AMOEBAS”

He that hath no rule over his own spirit is like a city that is broken down, and without walls” Prov. 25:28

These are a group of people that are “without form and void” (**Gen.1:2KJV**)

They are a mass of shapeless, chaotic people (**Gen. 1:2 Living Bible**)

Like the biological shapeless and formless amoeba, these people have no shape but are being carried about by every current of doctrine, being void of the word of God. They are unpredictable. They go after miracles and signs, since signs are no more following them (**Mark16:17-18**). They are not rooted in the scriptures, making their lives hang in the balance. Lacking in the understanding of the word of God, their lives are being controlled by present day worldly knowledge. They con-

sider 'faith as of old' as an old stinking thing. They twist the Bible to suit their sinister purposes.

Such people look forward to pregnancy before wedding because of hear- says in the neighbourhood, relating to those who married but found it difficult to conceive; which are all the devil's lies. Obey God and trust Him. Nobody can stop you from having your own baby. (Isaiah 26:3-4).

Allow the scriptures to teach you. Do not believe all those satanic information flowing around. If you discover that a brother or sister is not rooted in the scriptures, you had better watch out before you go ahead into that marriage lest you put your life in jeopardy.

WISDOM TIP
PEOPLE WHO LISTEN AND
REASON WITH
GOD WILL FOREVER RETAIN
THEIR SEASON OF JOY

CHAPTER 12

BROTHER/SISTER "MASQUERADE"

"There is a way which seemeth right unto a man, but the ends thereof are the ways of death"

Proverb 14:12

Be very careful. Make sure you do not marry a masquerade. Do not marry somebody you don't know, a stranger.

Some people meet in a commercial bus and a relationship ensues immediately, with claims that they are being led by God. This is dangerous.

"A stranger is a danger". Be very careful. Your so-called "love at first sight" may turn to get-lost at first sight. Marry somebody you know. Never marry a masquerade. Do you know the person under the cover of their cloth?

Our brethren in the NYSC (National Youth Service Corps) orientation camp should be very careful too. NYSC camp is a place where majority of the brethren look forward to getting their life partners.

They see it as a 'last resort' and they prepare their mind before going to the camp to get a partner at all cost, they pray seriously about it and hit the camp with great expectations. That explains why many fell into wrong hands easily at the camp.

I am not saying you cannot meet your partner in the camp. You can, if the Lord planned it that way. A sister received as many as five proposals within the span of two to three weeks that the camp lasted. If the lady was not careful, she would have made a wrong choice. She might pick a masquerade.

Some unbelievers pretend to be born again at the camp so as to pick a "fire brand brother or sister". Engaged and married people pretend as if they were unattached in the camp. Some whose lives are messed up pretend to be saints

when they get to camp in order to deceive unsuspecting brethren.

Please my brother and sister, be patient; NYSC camp is not your last chance of getting a partner. God has a better plan for you. Wait for Him. Do not put your life on sale. Know the person you are going to commit yourself to, lest you later blame yourself.

Get to know the person you want to marry very well. Know whether you are meant for each other.

Know whether you can live with each other bearing in mind your past. If you discover you can not live with each other's past you had better think twice. A broken courtship is not a divorce and it is better than a broken home.

CHAPTER 13

BROTHER/SISTER "HOW ARE YOU"

"Even in laughter the heart is sorrowful;

and the end of that mirth is heaviness"

Prov.14:13

Salutation is not love. That somebody greets you often or he or she is very nice to you does not make him or her your spouse.

A good friend may not transform to a good wife/husband. Get to know the HEART of God before you get involved with anybody. Don't just base your judgment on the ACTS of the person.

Don't allow anybody to buy you over with gift or with hypocritical greetings. Mr. and Miss nice may not be nice after all. Don't make yourself a prey. Cherish your life and wait patiently, God will satisfy you soon.

Before you give your hand to anybody in marriage, make sure you are in love; that the person is of good character and God is leading you, not just because you are close. **What God did not ordain, He will not sustain.** Secure the voice of God.

CHAPTER 14

BROTHER/SISTER "COLOUR RIOT"

"The lip of truth shall be established forever; but a lying tongue is but for a moment"

(Prov.

12:19)

These are those that cannot keep their words. They live a chameleon life, a life full of deceit and lies.

They are not faithful, they are not truthful; you can neither predict nor believe them.

If they say the colour is white, check it very well, it must be black or red. If they tell you they are going to the toilet, go and check them in the dinning room.

In fact, if you see that they are pregnant, you may still need to do a test to be sure, for they can be making it up. Lying is their hobby and unfaithfulness is their trade mark.

If you discover that the man or woman that wants your hands in marriage is a liar, I advise you not to marry him or her. The devil is the father of all liars. If you marry him or her you are marrying a child of the devil. Please, never marry a liar. Lying is the foundation of all sinful habits. Anybody that is lying will later be unfaithful to you and may even deny you.

WISDOM TIP

LOVE AND ROMANCE IS
A SWEET DREAM,
MARRIAGE IS AN ALARM CLOCK,
LOVE IS A COMEDY, MARRIAGE
IS A REALITY

CHAPTER 15

BROTHER/SISTER "SAKABULA"

"Confidence in an unfaithful man in time of trouble, is like a bad tooth and a foot out of joint". (Prov.25:19)

'Sakabula' is the Yoruba (South-western Nigeria) name for Dane gun. 'Sakabula' is a locally made gun in that part of the country.

It is not a reliable gun as you have to re-load it any time you shoot. It can not shoot more than one round. And at times it may disappoint when you pull the trigger. Most dane guns cannot kill big animals and can not be relied on in the battle field.

'Sakabula' brothers/sisters too are not reliable or dependable. They are not predictable and consistent. Their prayer life is ZERO. Their Bible life is nil. The only verse they remember in the entire Bible is John 3:16.

The fear of the Lord is a strange grammar to them. They never know if it exists. God cannot depend on them for anything. The kingdom of God does not reckon with them, as their names are no more in the book of life.

Do not marry any woman or man that does not fear your God enough to serve Him. A person that does not love your God hates you. Do not marry him. A person that is not reliable, truthful and dependable should not be your own spouse.

Brothers and sisters that always keep late appointments or never show up may be 'sakabula' types. Do not marry them. You can not really vouch for them, they are not men and women of integrity. You don't know what they can do. Please be careful for you may be on the highway of destruction if you make anyone of them your life partner.

WISDOM TIP
NEVER MARRY A MAN
OR LADY WHO IS
NOT DEPENDABLE, PREDICTABLE,
AVAILABLE, RELIABLE AND ENJOYABLE
CHAPTER 16

BROTHER/SISTER "SEX HUNTER"

"Marriage is honorable in all, and the
BED UNDEFILED; but WHOREMONGERS
AND ADULTERERS, GOD WILL JUDGE".
(Heb. 13:4)

Sister! Please hear this. That boy that is hell bent on taking you to bed in the name of love is a "sex hunter" not your husband. He has done it to about five other girls before you. He is not interested in you. He only wants to add you to the growing list of girls he has 'conquered'. Please stop that relationship. A sex hunter can sleep with 'anything in skirt' in the name of love. They are even in the church today. Beware! If he cannot wait till after the wedding, let him go. FOR TRUE LOVE WAITS

Note this, sister, don't say, "I will only allow him to kiss me and nothing more", do not start what you cannot stop. As soon as you allow a man to touch you beyond handshake, you have gone too far. But some sisters normally claim they haven't gone too far until they have had intercourse with a man. No! A man that is touching you anyhow wants to make sure you lose your self-control before defiling you. Watch out! Don't present him with sex as his birthday gift. Why should you set your life on fire to satisfy a man?

Brother, that lady who wants to entice you to sex is a sex hunter, not a wife. She is not disciplined and is a disgrace to womanhood. Be vigilant. You call a lady exposing her nakedness your wife? I pity you. She is not a "wife material". She only wants to destroy your destiny and scuttle your plan for the heavenly home. Any woman that loves you should wait till after the wed-

ding. Do not marry a **"decent prostitute"** or a **"tongue-speaking harlot"**.

Remember that the standard of the Lord standeth sure. LADY- REMEMBER, **AN ORANGE SQUEEZED TOO MUCH IS GARBAGE**

WISDOM TIP

**A FOOLISH GIRL MAY MAKE
A LOVER A HUSBAND,
BUT IT TAKES A CLEVER WOMAN
TO KEEP A HUSBAND A LOVER**

CHAPTER 17

BROTHER/SISTER "HATERS OF GOD"

"Take away the wicked from before the king (you) and his throne (your home)

shall be established in righteousness" Proverb 25:5

If you must marry, never marry a guy or lady that hates God. Somebody that hates your God can never love you. Do not trade away your destiny.

Your supposed engagement to a non-believer is nothing but an ENCAGEMENT. Come out of it! Never think you will convert him or her after marriage. When did you become the Holy Spirit that converts souls?

Do not sell your birth right, your future and your eternity. Never marry an unbeliever. Do not marry a child of the devil. Never be unequally yoked with an unbeliever. If you are reading this as an un-

believer, come into the light of God. Stop dwelling in destruction. You are on the wrong path. Please come home.

Joshua 23:12-13 makes it clear that if you marry an unbeliever, he or she will become a THORN in your EYES. They will be SNARES and TRAPS or SCOURGES IN YOUR SIDES until you perish. (God forbid) If you must marry, never take a stranger to the throne of mercy; you are not permitted to marry a Muslim as a Christian brother or sister. If you realize your partner drinks beer, alcohol, palmwine, etc; you had better run, or else you may succeed in selling your destiny to the brewery. If you discover that he womanizes, smokes or double dates, quit quickly before you blame yourself.

Are you unaware that marrying an unbeliever or any non born again Christian makes the devil your father-in-law? Demons will then be your brothers and sisters-in-law.

Do not waste your life my sister. Don't marry him because he looks gentle. Anybody that does not have the divine nature has a demonic nature. Run for your dear life. Do not say, "We have gone too far," or "members of his family have known me". You've not gone too far until you say "I do" turn back now.

A BROKEN COURTSHIP IS NOT A DIVORCE; YOU ARE WARNED.

WISDOM TIP

**IF YOU MARRY AN UNBELIEVER, YOU HAVE
MADE THE DEVIL YOUR
FATHER-IN-LAW,
DEMONS YOUR BROTHERS
AND SISTERS-IN-LAW**

CHAPTER 18

BROTHER/SISTER "MUMMY'S BOY"

"When I was a child, I spoke as a child, I thought as a child but when I became a man, I put away childish things" 1 Cor. 13:11

He cannot take a decision without consulting his mummy. His mummy is his best friend and he finds it easy to keep his secrets with his mother only. His mother is the one that helps him to buy his shirts, trousers and other items. He loves his mummy so dearly only death could separate them. Let me introduce to you Brother Mummy's Boy.

Sisters, if you snatch mummy's boyfriend you can NEVER obtain her favour. You will be better off if you marry somebody whose mother is ready to release.

No matter the age of a 'mummy's boy' he will still go back to his mother for advice, counsel, briefings and consultations. Such a brother believes that his mother should know everything happening to him "After all she is my mother", he says. If the wife's soup is too salty or peppery, he tells his mother. He does not even see anything bad in telling his mother the details of how he sleeps with his wife.

If you do not want a Mother-In-Law's problem tomorrow, steer clear of a "mummy's boy" brother. To a "mummy's boy, his wife is a third party, a cook, a baby-making machine, a sex tool, a family property and a maid. He sees his mother as a friend and confidant. So he cannot take a decision without recourse to her. His mother is his 'thinking partner', while his wife is a "passenger".

CHAPTER 19

BROTHER/SISTER

"ALONE"

"Two are better than one, because they have a good reward for their labour..... But how can one be warm alone..... And a threefold cord is not easily broken" Eccl. 4:9-12.

Brother/sister "Alone" is a socially bankrupt Christian who is not friendly. Brother 'alone' has no permanent friend for he can not keep one for long because of his bad character. He keeps malice, harbours, and bitterness and causes disaffection among brethren.

If the person you want to marry does not have a single friend or is always complaining about his friends, watch out. Platonic relationship is the bedrock of marriage. If one is deficient in it, it will be a miracle if he has a good home.

"A man who has friends must make himself friendly, but there is a friend who sticks closer than a brother". Proverb 18:24.

Get to know the friends of the person you want to marry. If he has none, it is a danger signal. If he keeps bad friends, don't waste your time with him or her.

Above all, any guy or lady that is qualified to be your partner must be a friend to the friend that sticks closer than a brother

(Jesus). If a person is not born again, he is alone; God is not with him. If you attach your destiny to such a fellow, you may end up blaming yourself.

WISDOM TIP
IF YOU HAVE NOT LEARNED
TO KEEP A ROOM-MATE,
YOU CAN NOT KEEP A SOUL-MATE,
LIFE IS ALL ABOUT RELATIONSHIPS.

CHAPTER 20

BROTHER/SISTER "CONTENTIOUS"

"Better to dwell in A CORNER OF A HOUSE TOP than a house shared with a CONTENTIOUS woman (man)" Proverb 21:9

"Better to dwell in a WILDERNESS, than with a CONTENTIOUS and angry woman (man)" Proverb 21:19.

"A continual dripping on a very rainy day and a contentious woman (man) are alike" Proverb 27:15.

If you must marry a brother or sister contentious, you must be ready for a "boxing bout" every night, as they are "trained fighters". They nag, keep malice, and quarrel on any issue, always right and ready to defend their so-called rights.

Never marry a contentious man or woman, a man or woman that keeps malice and always finds it difficult to apologise. Steer clear of such people if you love your beautiful life. The Bible counsels us not to befriend an angry man or woman, let alone marrying them.

"Make no friendship with an angry man (woman) and with a furious man (woman) do not go. Lest you learn his ways and set a SNARE for your soul". (Proverb)

WISDOM TIP

**WHEN A TROUBLESOME MAN,
MARRIES A CONTENTIOUS WIFE,
THEY DO NOT MAKE A MARRIAGE,
THEY MAKE A BOXING RING.**

CHAPTER 21

BROTHER/SISTER "AVAILABLE"

"He who troubles his own house will inherit the wind, and the fool will be servant to the wise of heart". Prov. 11:29.

Some singles get married to some people because they are readily available. They do not cross check it with the will of God for their lives- whether they are truly in

love or to even consider the characters of the persons involved.

Some sisters marry anybody that is available because of their age. They claim to be late- in their late twenties or early thirties, so they give in to any one that comes their ways regardless of divine counsel. That is why you see a Christian sister getting married to an Alhaji without considering the repercussions and God's counsel in Joshua 23:10-13.

The person that is available now may not necessarily be the choice of God for your life. That a person is available does not mean he or she is RELIABLE, RESPONSIBLE or DEPENDABLE.

If you are thirsty and only a bottle of acid is available, will you drink it? No! Don't go for 'the available, wait for the best. God's best is the best thing for you. It will give you rest and preserve your destiny. Wait upon the Lord and trust in Him. He will satisfy you in due season.

"The vision is yet for an appointed time, but at the end it will speak, and it will not tarry, WAIT FOR IT, because it will not tarry" Habakkuk 2:3

WISDOM TIP

**WAIT FOR THE BEST, GOD'S BEST IS
THE BEST, THE REST IS NOT.**

CHAPTER 22

BROTHER/SISTER "APE"

"By pride comes nothing but strife. But with well-advised is wisdom.

(Prov. 13:10)

Sometime ago, a young minister bought a very beautiful bag and a Pastors' ceremonial cap. He wrote his titles on both of them like this: Apostle, Prophet, Evangelist. If you are looking at him from a far you will only see APE, which could stand for *ape*, a member of the monkey family. Instead of adding to the glory of the minister, his proud attitude made people derisively refer to him as "Pastor Ape",

Brother and sister "Ape", like our dear "Pastor Ape" are proud people. They overrate themselves, believing that nobody is like them. They expect to be worshipped and adored by all **"Pride goes before destruction and a haughty spirit before a fall"** (Proverb 16:18).

If you do not want to go down with that fellow, you had better step back as soon as you discover that he or she is proud.

So as not to stand the risk of marrying a lady that will not submit to you, you had better reconsider your stand before you marry "Sister Ape"

The Bible counsels **"Better to be of a humble spirit with the lowly, than to divide the spoil with the proud."** (Proverb 16:19)

Any lady that can not submit to you is not qualified to be your wife, no matter how beautiful she is. **A prayerful sister who lacks humility will end up a liability to you. Beware!**

WISDOM TIP

**A STUBBORN MAN/WOMAN IS A
CARBON COPY OF THE DEVIL**

CHAPTER 23

BROTHER/SISTER "NIGHT CRAWLER"

"He who walks with the wise, will be wise, but the companion of fools will be destroyed". (Prov. 13:20)

Night crawlers constitute a danger to themselves and their homes. Please do not marry them. If a man or woman finds immense pleasure in partying or night clubbing, Please keep a safe distance from such. They cannot be faithful to you and anybody that is not faithful cannot be fruitful. No true child of God will delight in night-crawling. A true child of God will love to be at home before night fall.

If a lady finds pleasure in partying, she cannot be a virtuous and homely woman.

No serious lady will be outside her home at night without justifiable reasons. Serious ladies always keep away from night parties or meetings.

The night club is not a place for serious-minded children of God after a busy day at work. A night club lover cannot be a genuine child of God. Stop deceiving yourself. Night crawlers are vulnerable to armed robbery attacks, rape, untimely death and many other dangers. Please neither marry nor make friends with them.

WISDOM TIP
THE LITTLE ERROR YOU

UP AFFECTING YOUR
OUTLOOK FOREVER,
BE SINCERE WITH YOURSELF

CHAPTER 24

BROTHER/SISTER “BOTTLE LOVER”

“It is not for kings, O lemuel it is not for kings to drink wine or princess intoxicating drinks”

Prover

b 31:4

If you discover that a man or woman is a lover of bottles (an alcohol drinker), do

not wait to know whether or not he will be a good husband or wife. He or she can not be. It is dangerous to marry a man that loves "booze", for a drunkard is the immediate younger brother of a mad man.

You may argue that your man takes only a bottle. Have you forgotten the law of progression that states that "A man that loves a little pleasure (alcohol, drugs, premarital sex, and so on) and indulges in it often will inevitably go for more, as the former dosage will no longer satisfy him?" He will soon become a full-time drunkard to the detriment and shame of the family.

A man that loves alcohol will end up a wife-beater and a child-abuser. He might end up in poverty, due to excessive spending on beer), harm himself or even die untimely.

Do not commit your destiny into the hands of an alcoholic. Do not join yourself with him. Please run away from him. He or she is not a child of God.

WISDOM TIP
IF YOU CLOSE YOUR EYES TO MARRY IN
ERROR, YOU WILL OPEN IT
TO LIVE IN HORROR

CHAPTER 25

BROTHER "STINGY"

"But if anyone does not provide for his own and especially for those of his household, he has denied faith and is worse than an unbeliever" 1 Timothy 5:8

A stingy bachelor cannot grow up to become a generous married man.

You need to be careful not to marry a stingy man. He may not provide for you. Stingy people always love to take and hate to give. One naira is too big to give out or part with, but ten thousand naira is too small as gift to receive from people. Since it is better to give than to receive, such people hardly obtain the blessings of the Lord.

It is always difficult for such brothers to obey **1 Timothy 5:8** after wedding. They always grow up to become "Husbands of the widow" (Please get a copy of my book **"Wives versus mothers-in-laws, when will the battle cease?"** to know more about **husbands of the widow**)

If you are praying for a man that will care for you, then brother "stingy" is not qualified to be one.

Stingy brothers worship money. They love their pockets more than anything else. Such brothers measure the quantity

of foods their wives must take. They make their wives account for each piece of meat in the pot. They use a ruler to measure yam tuber, while some of them hide the pot of stew inside their wardrobes. Some of them cannot trust their wives with shopping. So, they do it themselves. A stingy bachelor cannot become a generous married man. Please beware.

WISDOM TIP
BEWARE, A STINGY
BACHELOR CANNOT
GROW UP TO BECOME A
GENEROUS MARRIED MAN.

CHAPTER 26

SISTER “DESPERATE”

**“Do not let your heart turn aside
to her ways. Do not stray into her paths”.
(Prov.**

7:25)

If a lady is too desperate to marry you, please be very careful. Some ladies can do anything to win men for their selfish interests.

Some are ready to marry anybody because of their age. By the time a lady is above thirty years, she naturally thinks the whole world is by-passing her. She thinks she will be too old to marry. As a result,

she becomes very desperate to marry any man. If you mistakenly fall into the hands of these frustrated ladies, they will rush you into marriage within two or three months of courtship. You might never discover the reason(s) why men have been running away from them. Some of these ladies are even ready to sponsor the wedding, if you are not capable. When a lady is desperately running after men for marriage then her case becomes dangerous.

A lady may be desperate to marry a particular man if he is (1) very rich (2) occupying a big position (3) from a famous background (4) the leader of a church or fellowship (5) gifted (6) handsome (7) brilliant (8) famous or if the lady thinks that she is becoming too old, or just to prove a point or to escape from parental control and so on.

All these are shaky foundations for a successful home. Any home built on such would eventually collapse; if a lady is desperate to marry you because of any of the above-mentioned reasons, please talk to your heels. Divine love is based on Christ, the solid rock not on a "fat" bank account or any mundane and ephemeral quality or achievement. It is not based on position or a brilliant academic performance.

WISDOM TIP
IF WEDDING DOES NOT
INVOLVE "WELDING"
MARRIAGE WILL BE "DAMAGED"

CHAPTER 27

BROTHER "WOMAN-MAN"

"Whoever loves wisdom makes his father rejoice, but a companion of harlots wastes his wealth".

(Prov.

29:3)

A man becomes a "woman-man" if

(1) He acts and behaves like a woman. He is not bold and courageous. He is fearful and "jelly-like" in character and attitude.

(2) He is fond of ladies and feels more comfortable among sisters than among brothers. All his friends and confidants are female; it is easier for him to keep his secret with ladies than with men. In my school days, we labelled such brothers "sister co-coordinators", "Director of Sisters Ministry" among others. They are always in female hostels or in company of sisters.

If you marry such brothers, you are marrying "our husband". They are highly vulnerable to falling into sin of fornication as singles and that of adultery as husband.

A "woman-man" is like a reed; he has no root and is not genuinely born again. Such brothers are always lustful and prone to sexual sins.

A woman is known for her beauty, while a man is known for his strength, courage and boldness. If you discover that a man who wants you gets frightened easily,

takes to his heels at the sight of a “big rat” or a “giant cockroach” at home you had better watch it. You might have been engaged to a woman-man”. That is why you should allow a guy to propose to you. Don’t propose. Don’t help him. **A guy that is not bold enough to propose to you is not bold enough to be your husband.**

WISDOM TIP

**REAL MEN DON’T DEVELOP COLD FEET,
THEY PERFORM GREAT FEATS**

CHAPTER 28

SISTER “MONEY HUNTER”

“The love of money is the beginning of all evil But (she) who lives in pleasure is dead while (she) lives” 1Timothy 5:6.

Sister “money hunter” is as dangerous as a serpent. Whenever she professes or demonstrates love to you, let your mind go straight to the days of Samson, and remember Delilah. Money hunters want money and nothing more. And they can do anything to get it, even at the expense of somebody’s life. The more money you offer the more of their best you get. As soon as it dwindles they take to their heels.

Love should not be based on money, but on the word of God and righteousness. If all that a lady wants every time is money,

then watch out. You might have been going out with "sister money hunter" and that may be dangerous. Godly sisters are less conscious of money because they know the Lord will supply their needs according to His riches in glory in Christ Jesus (Phil. 4:9) But ladies that are not God-fearing want money by all means, even if somebody has to die. They don't care if the man has to steal to provide it.

"Now godliness with contentment is great gain. (1 Timothy 6:6). In other words, **godlessness with covetousness is a great loss.** If you marry a covetous lady she will be a great loss for you. If you marry her, she will not be contented with whatever you give her and this is dangerous to your home.

WISDOM TIP
THE LOVE OF MONEY IS THE
BEGINNING OF MOURNING

CHAPTER 29

SISTER "MASCULINE"

"Wives submit to your own husbands as to the LORD" (Ephesians 5:22)

Wives, SUBMIT to your own husbands, as is fitting in the Lord". (Colossians 3:18).

Wives, be in SUBJECTION to your own husbands". (1 Peter 3:1)

Sister "masculine" is the kind of lady that behaves like men. She is a woman with a demonic ego.

She is not ready to bow to any man. She sees herself as a woman of authority, a woman that can neither bend nor break. Some of them are "strong in the Lord". They have spiritual gifts but lack the fruits of the spirit. They speak in tongues, prophesy, see vision and even perform miracles. But they have forgotten that a woman that fails at home is an all-round failure.

Some of them are career women. They are Directors, Managers and Executive Officers in big organizations, directing and ruling over men.

Consequently, they believe that all men (including their husbands) should bow down to them, since they are doing what men are doing.

They command their husbands, as if they are the heads. They may end up driving their husbands out of the matrimonial home. Ephesians 5:22 quoted above is either "missing" in their Bible or deliberately ignored.

Don't marry a woman like this. She will not end up being your wife, but your husband. She will end up becoming an "iron-lady" type of wife.

A lady you cannot control in courtship will eventually control you in marriage.

Never marry a woman that is not ready to

submit to you. God commands that wives should submit to their husbands.

NEVER MARRY A WOMAN YOU CAN NOT CONTROL.

If she is stubborn, please don't marry her.

I do say that a stubborn woman is a carbon copy of the devil. Don't marry a Satan re-incarnate

Some ladies become pompous because they think they are the most beautiful creatures of God. They are so self-conscious that nobody is important to them. Stop running after such ladies because *"Charm is deceitful and beauty is passing but a woman who fears the Lord she shall be praised". (Proverb 31:30 NKJ)*

**WISDOM TIP
A LADY THAT DOES NOT HONOUR
HER FATHER,
WILL NOT SUBMIT TO YOU AS
A HUSBAND, NEVER
MARRY A LADY YOU CAN NOT CONTROL**

CHAPTER 30

"YES SISTER"

"The wise woman builds her house but the foolish pulls it down with her hands.

Prov, 14:1

These are ladies who for one reason or the other have lost confidence in themselves. They therefore depend on people to make decisions. And whatever their friends, parents and family members tell them they accept without any thought. They never refuse anything even when they know that it will harm them.

How can you describe a lady that has studies the Bible and knows what the scriptures say, but agreed to become pregnant before marriage just because one of her friends suggested it?

Never marry a lady that cannot take decisions on her own. A lady that depends on others to determine the steps to take,

a lady that says 'yes' to every suggestion without considering whether it is good or not, a lady who does not know how to evaluate any suggestion in the light of God is not someone to marry.

Marry a lady that has a mind of her own, that seeks to satisfy and glorify God, a lady that can take decisions and stand by them.

If you marry a lady that depends on people for her decisions, she will run the home based on what people says, what people may say or how people may feel. You will surely regret it.

Open your eyes widely when choosing a life partner. Your success or otherwise in life depends on it.

NEVER MARRY A "YES WOMAN"

WISDOM TIP
A VIRTUOUS WOMAN IS MEEK, GENTLE
AND SUBMISSIVE, BUT SHE
IS NEVER A ROBOT

CHAPTER 31

"YES BROTHER"

**"The glory of a man is in their strength-
....."** (Proverb 20:29)

"Yes Brothers" are weak, spineless beings without a mind of their own. They rely on friends to take vital decisions.

Men are supposed to be strong and powerful; they are supposed to be strong willed. They should take decisions and stand by them and be prepared to take responsibility for their decision.

A man that does not have a mind of his own will ultimately bow to the will of people around. Some of them depend on their mothers and confide in them. Some depend on their friends and acquaintances. They dance to the tunes of others.

They determine what should happen in their homes by listening to people outside.

Never make the mistake of marrying a man that cannot stand on his "feet". Men are supposed to take final decisions at home. If your own man needs to call a "family meeting" before taking a decision such as when to sleep with his wife how dangerous do you think it will be?

Be very careful lest you marry a man with a mouth but without mind. This is more so because the **mind is the man**. A "yes brother" is a thoughtless man. He may be "heavily built" but is a toothless bull dog. Please don't marry him.

If you discover that your man always refers to people in his discussions saying..."Mummy said,....My brother said"...., my friend said"... and he insists on doing whatever they say, then you need to be careful. You might have been engaged to a "yes brother"

NEVER MARRY A "YES BROTHER"

WISDOM TIP
ANYBODY CAN BE A MALE. IT TAKES
COURAGE, BOLDNESS AND ABILITY TO
FACE RESPONSIBILITY TO BE A MAN
CHAPTER 32

BROTHER/SISTER "WATER-MINDED"

*"Unstable as
water.....? (Genesis 49:4)*

Brother and sister water-minded are emotionally unstable guys and ladies.

Today they are happy, laughing all over the place, jumping and leaping all around, tomorrow they are sad and moody for no tangible reason.

They may demonstrate love to you in the morning and behave like sworn enemies in the afternoon. Their mood changes with time. They have no power over their emotions.

Some of them are lustful, finding it difficult to control their passion.

A water-minded" person may wake up and become very sad with himself and anybody around.

"A double minded man is unstable in all his ways". (James 1:8)

A lady crying over a little thing is a water-minded lady.

A "water-minded man should not expect to receive anything from God. **(James 1:7&8)**

Please never join your destiny with a "water-minded man or woman. Please,

don't do it, for it is dangerous. Anybody that desires to marry pre-maturely is very dangerous for marriage.

Make sure that the person you want to marry is both mature spiritually and emotionally for a stable and blissful marital life.

Watch out for the following in the person you intend to marry: Uncontrollable Anger, Unforgiving Spirit, Resentment, Hatred, Sadness, Fear, Worry, Malice, Bitterness and so on.

If you discover any of them in him or her, please be careful about such proposed marriage.

If you are suffering under the yoke of any of these emotional imbalances, work on yourself before thinking of marriage.

Always remember this:

NEVER MARRY A "WATER-MINDED" MAN OR WOMAN

WHO TO MARRY?

Marry a born again Christian, not an unbeliever.

Marry in the will of God. Let the lord lead you to him or her- The will of God is the wheel of glory. (**Romans 8:14**).

Marry somebody that fears the Lord. The fear of the Lord is the beginning of wisdom.

He or she must be single (not married or divorced) Malachi 2:14-16.

He or she must be somebody you can trust

He or she can be a Christian widow or widower. I Cor.7:39.

You must be in love

He or she must be somebody with visions,
not a man or woman without direction

He or she must be reliable and dependable

He or she must be prayerful and a lover of
the word of God.

He or she must be in the service of God

He/she must be somebody you know.

Never marry a stranger. Look before you
leap. Do a thorough research.

15 FACTS YOU NEED TO KNOW ABOUT MARRIAGE

1. Marriage was instituted by God for companionship, procreation, protection from fornication and other vices.
2. It should be between a man and a woman, not between people of the same sex.
3. Marriage is for your good. (Genesis 2:18)
4. You must not marry an unbeliever.
5. Your pastor should be involved when you are getting married.
6. You must secure the consent of your parents.
7. Marriage is: 'Till death do us part', no divorce, no separation. **Malachi 2:14-16.**
8. You must be matured before considering marriage.
9. Husbands must love their wives,
10. Wives must submit to their husbands.
11. Sexual relationship is good and righteous in marriage, but it is a sin during courtship or before marriage
12. If one partner dies, the other partner is free to re-marry
13. Marriage should be between a MAN and a WOMAN; polygamy is wrong and unbiblical.
14. You must prepare for your family
15. You must seek the face of God before you choose a marriage partner. You must hear His voice. Romans 8:12, Pro 18:22.

WORK ON YOURSELF

Prior to marriage, you need to do the following:

- ❖ Accept Jesus as your personal Lord and savior. Repent and forsake all your sins
- ❖ Attain physical, spiritual, emotional, financial, mental and social maturity.
- ❖ Go to God in prayers
- ❖ Be a lover of the Bible; get to know what it says about marriage and put them into practice.
- ❖ Listen to the voice of God (For more on this, get my book - Wisdom For Choosing a Life-partner")

Brothers before you propose.

- Make sure you are in love.
- Make sure she is of good character
- Make sure she is controllable
- Seek counsel. Go to your pastor or a mature Christian. Don't just go to anybody
- "Soak" all your steps in prayers.
- Listen to God and reason with Him.

Sisters, before you give consent:

- Pray seriously
- Make sure you are in love.
- Make sure the brother has good character and testimony
- Listen to God and reason with Him.
- Seek counsel not from your contemporaries or an unbeliever but; from your Pastor or a marriage counselor.
- Trust God for a good home.

- Obey His voice
- Be thankful

BEFORE YOU SAY "YES I DO" (FOR SISTERS ONLY)

Before you go to the altar with any man ask yourself these questions and sincerely answer them:

- "Is this person really born again?"
- "Do I really love this man?"
- "Does this man love me?"
- "Can I trust him?"
- "Can this man trust me?"
- "Can I commit my future into his hand?"
- "Can I submit to him?"
- "Does he inspire obedience in me?"
- "Does he inspire submission in me?"
- "Am I proud of him?"
- "Is he proud of me?"
- "Do I really know him?"
- "Is he a lover of God?"
- "Do I want my son to be like him?"
- "Can he control me?"
- "Can he lead me?"
- "Is he really the will of God for my life?"
- "Do we agree?"

- “Can we get to the kingdom of God together?”
- “Can I forgive him?”
- “Can I give him my all?”
- “Can he provide for me?”

If the answers to more than five of these questions are in the negative, I advise you to be very careful or better still contact your Pastor to avoid going into a marriage you will later regret.

BEFORE YOU SAY "YES I DO" (FOR BROTHERS ONLY)

Before you go to the altar with any lady, ask yourself these questions and sincerely answer them:

- "Is this lady really born again?"
- "Is she the will of God for me?"
- "Do I really love her?"
- "Does she really love me?"
- "Can I trust her?"
- "Can she trust me?"
- "Does she love God?"
- "Can I commit the rest of my life into her hands?"
- "Does she buy into my vision?"
- "Do we agree?"
- "Can she submit to me?"
- "Can I control her?"
- "Does she respect me?"
- "Is she prayerful?"
- "Is she ready to forgive me?"
- "Can I forgive her?"
- "Can I lead her?"
- "Is she dependable?"
- "Is she reliable?"
- "Can we make heaven together?"
- "Will I like my first daughter to look after her?"
- "How would I feel if my first daughter acts like her?"

If your answers to five of these questions are negative; I advise you to seek counsel. It is dangerous to go ahead to marry such a lady.
